**PROPOSED EXAMINER'S AMENDMENT**

Examiner A. Rudy

Dear Sir:

Pursuant to our phone discussion, I will authorize cancellation of withdrawn Claims 25-59 and 61 only upon entry and consideration of newly added Claims 62-100. The Applicant has previously paid for 8 independent claims and 61 total claims, therefore no new fees should be required by this addition. The newly added Claims 62-100 mirror the language of method Claims 1, 2, 4-19 and 24 which the Examiner has indicated are in condition for allowance. Therefore entry and allowance of Claims 62-100 is respectfully requested.

If these additional claims cannot be entered, then cancellation of Claims 25-59 and 61 is not authorized, and continuation of prosecution is respectfully requested.

Respectfully submitted,
